Summer Fair Special

We did it again!!

A huge thank you to everyone for making the summer fair a success. These events are a tremendous team effort. The volunteers and committee members were happy to run a stall making it enjoyable for the children. Let us all please appreciate the fact that they are just parents like us and not professionals. They might not be super-fast but they did more than they could have done. Some parents/teachers who came to help for an hour, ended up being there until the fair ended. It was a beautiful day and everyone seemed to have enjoyed.

Special mention should be made of those wonderful children who helped us with this event. These young helpers did a fantastic job; be it carrying books and toys, laying them carefully and artistically, carrying water for the volunteers, helping out at the stalls, picking up chairs and many more. Surprisingly sometimes they were even faster than phones or radios. I feel absolutely happy and proud. A group of year 5 children even set up their own 'Save the Nature Stall' which is commendable. Our toys and book stall was run by some ex Park Hill students which is also exemplary. These children are our inspiration and I would like to wish them luck. The names will be mentioned in the school newsletter.

Also thank you to all for your kind donations for the fair, much appreciated. Some local businesses as well as some parents were kind enough to donate fantastic raffle prizes. Due to an overwhelming response, we have kept some raffle prizes to be used during our Christmas fair. Sometimes due to a large number of donations we keep some to be used in the next event. It has always been our effort to distribute the donations evenly and judiciously between our three main events: summer fair, fireworks night and Christmas fair.

Thanks to our sponsors Pedders and Sainsbury's for supporting our fundraising effort. They have been really kind and generous.

Dates for the Diary 2017

Fridays- Snack
shop & ice lollies

3rd November –
Fireworks Night

1st December –
Christmas Fair

*"All funds collected
will be used by
both the schools to
enhance the
learning of our
children."*
