

## English

In English the children will be learning through a range of high quality texts to;

- Structure and form a range of sentences with full stops, capital letters, question marks and exclamation marks.
- Identify the difference between plural and singular nouns.
- Identify verbs, and regular plural noun suffixes and spell words which add -s or -es as plurals.
- Use -ing, -ed, -est, and identify spelling patterns which use these suffixes for verbs (eg; helping, helper..).
- Spell the days of the week.
- Read and identify contractions (I'm, we'll' etc).
- Predict what might happen in a book on the basis of what has been read so far.
- Check that a text makes sense to them as they read and correct their own mistakes.
- Consider the particular characteristics of key stories and traditional tales.

## Phonics and Reading

In daily Phonics sessions the children will follow the systematic 'Letters and Sounds' phonics programme to develop their phonics skills and become fluent readers.

They will practise reading aloud with pitch, pace and fluency in daily Guided Reading sessions using an audible voice and ask and answer questions about a wide range of books.

## Maths

In Maths the children will be learning to;

- Find 1 more, 1 less, 10 more and 10 less than any 2-digit number
- Explore patterns on the 100-square
- Understand place value in 2-digit numbers and identify 10s and 1s
  - Use number facts to add and subtract 1-digit numbers to/from 2-digit numbers.
  - Add pairs of 1-digit numbers with totals above 10
  - Add three small numbers, spotting pairs to 10 and doubles; add and subtract 10 to and from 2-digit numbers
  - Measure weight and capacity using uniform non-standard units; complete tables and block graphs
  - Recording results and information; make and use a measuring vessel for capacity
  - Find half of all numbers to 10 and then to 20
  - Recognise halves and quarters of shapes
  - Recognise, name and know value of coins 1p-£2 and £5 and £10 notes.

## Music "CHARANGA" Music Scheme 'Your Imagination'

The children will be listening, appraising musical using games, singing, improvisation and composition. They will also have opportunities to perform and share their own lyrics and and listening to songs/music about using your imagination.

## PSHE JIGSAW "Relationships"

The children will be learning...

- Identify what makes a good friend
- To solve friendship problems when they occur
- To help others to feel like a part of a group
- Know how to help themselves when they feel hurt or upset
- Understand what makes a good relationship

This half term, Year One will learn all about the life of Pirates and explorers of the Seven Seas. They will have a pirate workshop and enjoy learning all about sea travel and life in the past.

### Art & Design Technology

In Art the children will be learning to;

- Use drawing and painting to share their ideas, experiences and imagination.
- Develop techniques and experiment with water marbling to create patterns.
- Use Monet's 'Waterlilies' as a starting point from which to create their own 3D art work and paintings.
  - In Design Technology the children will design, make and evaluate their own 'unsinkable' Pirate ship using specific design criteria. They will learn to;
  - Build a structure, exploring how it can be made stronger, stiffer, and more stable.
  - Evaluate their ideas and products against design criteria.

### Religious Education (R.E)

Children will discuss the beliefs of Muslims and explore the Islam faith. They will learn about what many Muslims believe about God, the holy book and religious festivals.

### PE

The children will be learning to;

- Explore how to choose and apply skills and actions in sequence and in combination
- Observe, describe and copy what others have done.
- Explore basic skills in travelling, being still, finding space and using it safely, both on the floor and using apparatus.
- Recognise and describe how their bodies feel during different activities.

### Science

In Science the children will be learning about 'Everyday Materials' and will learn to:

- Identify a variety of materials including wood, plastic, glass, metal etc based on their properties.
- Understand the difference between absorbent and waterproof materials.
- Carry out simple experiments and investigations to identify, group and classify different materials.

### Computing

Children will be learning to:

- Recognise common uses of information technology beyond school.
- Keep personal information private when using information technology.
- Store and retrieve digital content independently on a range of programs.

### Geography and History

In Geography the children will be learning to;

- Name and locate the seven continents and five oceans on a map.
- Use simple compass directions (North, South, East and West) and devise their own maps.
- In History the children will find out about the life of famous pirates.
- Research the different components to a working Pirate ship and the different roles and jobs people had on-board.
- Learn about the life of Florence Nightingale and the effect which her life had on nursing.
