

Key Instant Recall Facts (KIRFs)

Year 2 Spring 1 – Multiplication and Division

Each half term we will be sending home mathematical recall facts. The goal is to recall these instantly resulting in a stronger foundation of mathematical knowledge.

The next of these is multiplication and division facts for the 2 times table.

Start with multiplication and move on to the division when ready.

Top Tips

- Do them little and often. See how many you can do over breakfast or on the way to school
- Create a poster and put it up somewhere you can see every day
- Making groups of objects will help make it visual
- Use games – Google multiplication/division games
- Do not try and learn them all at once

If your child is confident with their 2 and 10 multiplication and division facts then they can move onto the 3, 4, and 5.

$2 \times 1 = 2$	$2 \div 2 = 1$
$2 \times 2 = 4$	$4 \div 2 = 2$
$2 \times 3 = 6$	$6 \div 2 = 3$
$2 \times 4 = 8$	$8 \div 2 = 4$
$2 \times 5 = 10$	$10 \div 2 = 5$
$2 \times 6 = 12$	$12 \div 2 = 6$
$2 \times 7 = 14$	$14 \div 2 = 7$
$2 \times 8 = 16$	$16 \div 2 = 8$
$2 \times 9 = 18$	$18 \div 2 = 9$
$2 \times 10 = 20$	$20 \div 2 = 10$
$2 \times 11 = 22$	$22 \div 2 = 11$
$2 \times 12 = 24$	$24 \div 2 = 12$

Key Vocabulary

What is 2 **multiplied by** 7?

What is 2 **times** 9?

What is 12 **divided by** 2?
