

Key Instant Recall Facts (KIRFs)

Reception Spring 2 – 1 more 1

less

This half terms recall homework focuses on 1 more and 1 less. This is a key mathematical skill which is used in many areas of maths and other subjects.

There are many ways to practise and some great games online. Head to google and search for 1 more 1 less EYFS games.

Below there are numbers from 1 to 30 and a 1 more and less table.

You can:

- Cut out the numbers and use them on the table.
- Make the numbers visual, objects can be used alongside or instead of the number to show what the digit represents.
- Say a number to your child and ask them to say 1 more/1 less or both.
- Use everyday things for example fruit. Give an amount of fruit, how many is 1 more? How many would you have if I took 1 away?

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17
18 19 20 21 22 23 24 25 26 27 28 29 30

1 less	Number	1 more
