

At Park Hill Infant School, our school values of kindness, respect, honesty, courage and positivity, are the ways in which we create the strong bonds of unity that stretch across our whole school community. We speak with one voice to promote our ethos All Different, All Equal, All Achieving.

Our school community, stands together against all forms of discrimination, including racism. We all have a responsibility to stand up and speak out when we see something we know is wrong. It is not about a one off conversation or gesture, it needs to be embedded in our everyday lives.

At Park Hill Infants, we continue to teach your children about what it means to be strong, positive and productive members of society. We have always taught our pupils about equality and this remains an important part of our curriculum. We ensure that we always celebrate diversity, promote equality, demonstrate respect and stand together to challenge all forms of discriminatory language and behaviour.

We recognise that education is a vital tool for powerful, permanent and informative change. Our continuously evolving curriculum demonstrates our determination to use education to tackle issues of racism and inequality. We strive to ensure our curriculum and supporting resources reflect values of inclusivity, diversity, equality and belonging.

Together, we strive to ensure that we live in a world that is fair and just for all our children and young people to grow up in, regardless of their background, by living out the values of equality, respect and tolerance.
