

Wednesday 30th June 2021

Dear Parents/Carers,

GET ACTIVE Week

Monday 5th - Friday 9th July 2021

Next week we will be celebrating physical health and well-being, in a fun packed week of sports activities, events and workshops. Events include Race for Life on Thursday 8th July and Sports Day on Friday 9th July. (Both of which will take place on the Junior School field). These are weather permitting events so if the decision is made to cancel due to bad weather, you will be notified by text message on the evening before the event and on the school website. Due to current COVID restrictions, unfortunately parents/ carers cannot attend this year, however there will be a school photographer capturing all the memorable moments that will be available on the school website.

The aim of GET ACTIVE week is to promote P.E. and the importance of staying healthy in the body and mind.

As this is a week where children will engage in physical activity every day they will need to come to school wearing their PE kits and plimsolls or sportswear and trainers on Monday, Thursday & Friday.

Monday – Get Active Day (P.E. kit/ sportswear to be worn to school)

Tuesday & Wednesday – Class workshops (P.E. kit available on pegs or sportswear)

Thursday – Race for Life (P.E kit/ sportswear to be worn to school)

Friday – Sports Day (P.E kit / sportswear to be worn to school)
