

Monday 4th April 2022

Dear Parents/Carers,

KS1 CURRICULUM WORKSHOPS for FAMILY / CHILD PARTICIPATION

We will be organising a variety of activities linked to Science. This workshop will take place on **Thursday 5th May 2022**. There will be practical 'hands on' activities related to these skills for learning which will provide you with an opportunity to work alongside your child in their class environment.

One adult from each child's immediate family (parent/carer) or extended family (grandparent/aunt/uncle) is invited to come into school for part of the **morning or the afternoon** to work with their child. Our intended timetable is as follows:

Morning session

The morning session will start at 9.25am:

Parents/family guests should meet in the school hall, around the table with their child's class number on and sign the register. (Please note, if you are coming in the morning, you may wait in the school hall, once you have dropped your child at 9.10am)

9.30am – 10.30am: Parent/family guests will be taken into their child's classroom area, by a member of staff. Each family member will then be invited to participate in joint activities with their child.

10.30am – 10.45am: Family members will be invited to return to the school hall, for refreshments and feedback, prior to 'signing out' and leaving the school premises.

Afternoon session

The afternoon session will start at 1.50pm:

Parents/family guests should meet in the school hall, around the table with their child's class number on and sign the register.

2.00pm – 3.00pm: Parent/family guests will be taken into their child's classroom area, by a member of staff. Each family member will then be invited to participate in joint activities with their child.

3.00pm – 3.15pm: Family members will be invited to return to the school hall, for refreshments and feedback, prior to 'signing out' and leaving the school premises.

As we wish the emphasis to be upon family members working alongside the school-aged child, we would very much appreciate you finding alternative care if you have a pre-school child. Please arrive on time so as to maximise your time working alongside your child.

As we wish the emphasis to be upon family members working alongside the school-aged child, we would very much appreciate you finding alternative care if you have a pre-school child.

Please complete the reply slip below and return it to your child's class teacher by **Friday 8th April at the latest**, so that we know how many of you would like to join us. The maximum number for each session has to be limited in order to accommodate all persons safely and so we can provide sufficient resources for each session.

In anticipation of a good response, we look forward to welcoming many of you into school, to participate in these activities. We will send you a reply slip by the afternoon of **Friday 29th April** to confirm the session you have been allocated.

Yours sincerely,

Ms J Charman
Headteacher

KS1 Curriculum Workshop on Thursday 5th May 2022

Please return to your child's class teacher on or before 9.30am on Friday 8th April 2022

Child's Name: _____ Class: _____
