Dear Parents and Carers,

Free Access to the TGMC's Parent Portal

We're excited to share something special with you!

The Good Morning Club (TGMC) is all about supporting children's wellbeing and development beyond the classroom - helping them grow in confidence, resilience, and emotional regulation.

As a TGMC School, we're proud to be using this approach across our setting, and we're excited to share it with you too. You can find out more in the attached digest. We're also delighted to invite you to enjoy free, exclusive access to the TGMC Parent Portal.

The Parent Portal is packed with practical tools and guidance designed especially for home life, including:

- Bite-sized video advice for common behavioural challenges - all aligned with the strategies we use in school, to create consistency and reinforce positive habits.
- Access to the Digital Backpack - an interactive tool to help children learn how to manage emotions and self-regulate more effectively.

This is a fantastic opportunity for us to work together in supporting your child's growth and wellbeing both at school and at home.

To get started, simply follow the link below and then enter your details.
