Dear Parents and Carers,

School Fund Contributions

Thank you to all parents and carers who have contributed to the school fund this year so far. We continue to work to provide an enriched educational provision for our children despite the increasing demands on our school budget.

With this in mind, I am writing to ask if you would like to make a ***voluntary*** contribution to School Fund for the 2026-2027 academic year. The suggested amount would be **£30.00.**

For families with more than one child attending Park Hill Infants, a ***voluntary*** contribution of **£45.00** for the 2026-2027 academic year would be much appreciated. This can be made via ParentPay (please do not send in cash donations).

If you would like to donate more than this amount, please adjust accordingly within ParentPay.

We know that everybody's budget is squeezed at the moment, so you are under no obligation to give the suggested amount or any amount. If you can spare anything at all, we would be most grateful.

We intend to use your generous donations to purchase books, school resources, visitors to the school to enrich children's learning, enhancement of the playground and outside areas.

I am grateful for the support provided to us by parents, carers and Park Hill Schools Association (PHSA) as it is a major contributing factor to the continued rich educational provision for our pupils. We greatly value this positive partnership between school and home.

Yours sincerely,

Ms J Charman
Executive Headteacher
