Monday 12th October 2026

Dear Parents/Carers,

Harvest Letter

As we near the end of this half term, we once again consider Harvest – a time of great giving and supporting those most in need. On Monday 19th October, children will have a special assembly about the Harvest festival with Revered Ruth from St. Matthews Church.

All year groups will be singing Harvest songs and making hats for their performances. You will have the opportunity to see your child perform their Harvest songs either at Wonderful Wednesday on 21st October, Thrilling Thursday on 15th October or via 'Evidence Me' for Reception. Children in Reception will also be making Harvest-themed crafts in class.

We would be very grateful if you could bring contributions of **tinned food, packets of cereal, tea, sugar, coffee, biscuits and any other appropriate goodies in a strong bag** to the school office between Monday 19th October and Thursday 22nd October. Please bring any fresh fruit or vegetable donations on Friday 23rd October. In order for your donations to be easily distributed, we would also be grateful for any empty shoe boxes or similar items for packing.

All contributions will be given to a local food bank which donates food items to local families in need. Many thanks for your support.

Yours sincerely,

Mrs Smith
Religious Education Leader
